

CONTRA COSTA HILLS CLUB – HIKING SCHEDULE

July, August, September 2026, V05

Selected Guidelines: **LEADERS:** Appoint a rear leader; wait at intersections for all to catch up. If you cancel or change your hike, please inform hike coordinators Jim Baranowski or Marilyn Vihman so the change can be communicated to all members. **HIKERS:** Let the leader lead. Report to leader if dropping out before end of hike. **EVERYONE:** Bring water & drink it. Bring lunch unless stated otherwise. Sticks & boots advised on hilly trails. Some hikes may not need a reservation, but if a reservation is requested, please contact the hike leader. If you are sick, please wear a mask or consider sitting out the hike! **INCIDENTS:** It is good to carry a first aid kit with you in case someone is injured. Submit a filled-out Incident Form available from the hike leader or the club website. **Signups on Hikes** If you plan to lead a hike and are wondering about having members signup ahead of time, remember that signups are not required except in the case of carpool pickups, museum or luncheon reservations, or similar events where a headcount is necessary. Otherwise, no advance signup is needed, as it is the hiker's responsibility to contact the leaders. **CARPOOLING:** Be prepared to wear a mask if requested. Discuss with the hike leader when signing up. New suggested rate for the entire car (including driver) is 72.5 cents per mile plus share of bridge tolls & entrance fees. For example, 2 persons including driver: 36 cents/mile, 3 pers: 24 cents/mi, 4 pers: 18 cents/mi, 5 pers: 15 cents/mi.

For most agencies, call 511 & state agency for which you need information.

Please carefully note the starting times. If transferring from BART to a bus or other public transit, the time given is the departure of the bus, etc. Please allow at least 15 minutes to get from the BART train to the other transportation.

This Schedule is posted on our website: www.contracostahills.org

PLEASE MAKE SURE TO CONSULT THE WEBSITE FOR CHANGES! Hikes may change. We will update as conditions evolve.
